

The ProFamily Foundation

Inspiring Leadership
in Family Life

About us

The ProFamily Foundation exists to strengthen families amid the pressures of modern life. We work across Northern Europe in three key areas:

Marriage

Helping couples build strong marriages through enrichment events and conferences

Parenting

Equipping parents to raise children with character and virtue through talks and workshops

Hubs

Supporting married lead couples to bring local families together

Would you like to strengthen your family life and help others do the same?
